has my permission to participate in this Community Education Program activity. I assume the responsibility for arranging transportation to practice and matches. I grant permission for emergency treatment to be given. I agree to pay all doctor & medical costs not covered by my insurance. Medical insurance coverage information must be completed or write **no coverage** under insurance Company. I release Evergreen School District, Evergreen Community Education Program, Union Titan Wrestling Booster Club & coaches from responsibility for any cost resulting from injuries while participating in the Evergreen Community Education Program or if a question of liability should occur. By signing this, I have read and understood the WA Sate Concussion Law at http://www/cdc.gov/concussionInYouthSports/:

Even though most concussion are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized & managed properly. I other words, even a "ding" or bump on the head can be serious. You can't see a concussion and most sports concussions occur without loss of consciousness. Sighs & symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of a concussion yourself, seek medical attention right away.
