

### **Biography: Franklin Gomez**

Gomez began wrestling when he was 12 years old, training at Club Sparta in San Juan under his coach Pedro Rojas. After some years of wrestling, at age 16 he moved to New Jersey in pursuit of better academics and wrestling opportunities. But things got tough quickly as Franklin was faced with the language barrier as he struggled to learn English. He then moved to Brandon, Florida; attended Brandon High School where he completed his High school education while winning 2 state titles and a Fargo National Title in freestyle.

Gomez moved to wrestle and went after higher education at Michigan State for five years. These five years taught him many things along with wrestling, especially through friendships and different mentors who poured out into his life. He became a 3x All-American and NCAA champion in 2009.

Franklin Continues to wrestle through the Nitty Lion Wrestling club. We was a world silver medalist in 2011, 2x Olympian (PUR),

Athletes will learn fundamental and advanced techniques of Freestyle and folk style wrestling. More importantly, students will learn life lessons of hard work, overcoming obstacles, perseverance, and service to others.
